PROGRAMME

# 2022 EUROCAE Symposium

EUROCAE's annual Symposium, with participation from top industry leaders and regulators from Europe and around the world, is a unique opportunity to engage and to discuss the most emergent topics within the aviation community.

This year, the General Assembly and the 2022 EUROCAE Symposium will take place in Warsaw, Poland, on 28-29 April 2022.

# Why you should attend?

**Join our annual Symposium in Poland this April and benefit from the knowledge and leadership experiences of our speakers, among innovative technology suppliers and highly specialised experts who will examine the most relevant themes for the aviation sector.**

Depending on your role at your organisation, there are many more benefits you will gain by joining our event.

- ▶ Hear about the latest and highly relevant subjects in aviation
- ▶ The quality of the speakers who have been invited to discuss various panels promises a most interesting and informative event
- ▶ The occasion to meet other members and representatives of the aviation industry and to widen your network
- ▶ Gain valuable knowledge and expertise on the global air sector
- ▶ Contribute to our Organisation's work programme
- ▶ Gain access to the global event + Breakfast, Lunch and Gala dinner / Award night

# The programme

The discussions and conclusions will shape, tailor and guide EUROCAE's strategy on how to support aviation developments and how we can contribute to achieve the overall targets.

- ▶ **Panel 1:** VTOL
- ▶ **Panel 2:** UTM / U-Space
- ▶ **Panel 3:** UAS Technology
- ▶ **Panel 4:** Cybersecurity
- ▶ **Panel 5:** Sustainability
- ▶ **Panel 6:** Space

EUROCAE organises a Gala dinner and an Award night to recognise excellence, leadership and hard work in EUROCAE WGs be it by the WG Chairperson, Secretary, or other key members of the group.

The EUROCAE's annual Symposium offers a unique opportunity to unite representatives from the entire aeronautical community.
